MEDICAL CANNABIS CONFERENCE

TEL AVIV, 9-10 SEPTEMBER 2019

CannX.org

Exhibitors' Technical Manual

Dear Exhibitor,

This Exhibitor Services Manual contains important information and is designed to assist you in preparing for the **CANNX 2019** Exhibition.

The Exhibition will be held as part of the 4th International Medical Cannabis Conference, which will take place in Tel Aviv Convention Center, 9-10 September 2019.

The floor plan has been designed to maximize the exhibitor's exposure to the delegates with Coffee breaks, Lunches, Product Theater sessions, B2B Area, Networking area and Session halls within the exhibition area.

Please read all the information in this manual. It will take you very little time now and could save you a great deal of time later.

Please forward this manual to everyone who is working on this project, including your stand builder, as it contains useful information about the Conference.

For your convenience, the manual has been divided into sections:

- Section 1:** General Information
- Section 2:** Exhibition Floor Plan, List of Exhibitors
- Section 3:** Exhibition Services
- Section 4:** Technical Information
- Section 5:** Official Contractors
- Section 6:** Delivery Regulations and Instructions
- Section 7:** Order Forms

Please do not hesitate to contact us for further information or assistance.

We look forward to welcoming you and wish you a successful Conference and Exhibition.

Best Regards,

ELIANNE BARAN GANOT
Global Manager, Exhibitions

Section 3: Exhibition Services

Exhibitor Badges

All exhibitors are required to be registered and will receive a badge displaying the exhibiting company name. Individual participant names will not appear on badges in order that they may be used interchangeably between staff members.

Exhibitor badges will be given as per your contract.

Two exhibitor badges will be given for the first 9 sqm booked and 1 additional badge for each 9 sqm after.

Any additional exhibitor's badges will be charged an exhibitor registration fee of **USD 150** each for pre-advanced orders.

Companies can purchase a maximum number of exhibitor registrations as follows:

- ✓ Stands of up to 60sqm - 15 exhibitor registrations
- ✓ Stands larger than 60sqm - 25 exhibitor registrations

The Exhibitors badges allow access to the exhibition area, refreshments and Happy Hour.

Additional Exhibitor badges can be ordered online via the Exhibitor's Portal:

<https://exhibitorportal.kenes.com>

Please make sure that your Company Profile has been submitted **before** placing an order

Deadline: Tuesday, 6 August 2019

Each exhibitor will be contacted with login details to access the Exhibitor's Portal.

All personnel are required to wear badges to access the Exhibition. Company representatives not wearing their badges will not be allowed to access the Exhibition. Company name badges are for the use of company personnel for stand manning purposes and should not be used by companies to bring visitors to the Exhibition. Exhibitor badges will not be mailed in advance and may be collected from the onsite registration desk.

Access to the Exhibition Hall during Set-up and Dismantling Times

Stand contractors and staff must wear service passes during the entire set-up and dismantling period. Service Passes are free of charge and may be collected from the Exhibition Manager Desk on-site.

On Site Exhibition Manager Desk

The Exhibition Manager Desk will be open throughout the Exhibition set-up, opening and dismantling period. The desk will be located within the Exhibition area.

Prior to this time, if you have any queries regarding your participation at CANNX Conference please feel free to contact the Exhibition Manager:

Elianne Baran Ganot

Global Manager, Exhibitions & Industry Operations

E: eganach@kenes.com | T: 41 22 9080488 Ext 921 | M: +972 54 6787921

Lead Retrieval Application

Lead Retrieval Application is a helpful tool for receiving contact information about participants who visit your booth or attend your symposium.

Lead Retrieval App (no device is included).

The Application should be installed on your company/personal device.

The advantages of the new application:

- Effortless process using registration badge barcode.
- Ability to insert exhibitor's comments for each lead.
- Immediate information retrieval online.
- Application is available for download from Apple store or Google play: "Kenes K-Lead App".
- Cost per unit – **USD 300**

Please Note:

Barcodes on participants' badges contain contact information as supplied by the registrant or the agency responsible for the registration process of that participant. We regret that in some cases, as when group registration is completed by a company, we may not be in possession of the full contact details.

In addition, please note that neither Kenes International nor the Organising Committee is responsible for the content of the information.

Furthermore, in some cases, the participant does not give his\her permission to transfer his\her contact details to any other party.

Therefore, although he\she visited your booth and was scanned by your barcode reader, we are unable to forward you his\her contact details.

Data Protection Information included for our registrants

In light of the new data protection regulation recently enacted in Europe, Kenes Group has updated its privacy policy.

Kenes will not share your personal data with third parties without your consent.

Please note that similarly to sharing a business card, presenting your delegate badge for scanning at exhibition booths or industry symposia constitutes an expression of consent to share your personal details with the company that is scanning your badge so that it may contact you in the future.

You can submit your order through the **Kenes Exhibitor's Portal**.

<https://exhibitorportal.kenes.com>

The Exhibition Manager will contact you with the link to the Exhibitor's Portal, including your personal login details.

Deadline: 6 August 2019

Section 4: Technical Information

Stands Design (Space Only)

Exhibitors who build their own stands are required to submit a scale drawing of their booth, including elevation view and dimensions.

1. A scaled drawing (scaled 1:200 DWG), including elevation views of the proposed stand to be built.
2. A list of all Electrical appliances to be installed in the stand.
3. The name and contact details of their construction company.
4. **Engineer approval**

Each exhibiting company should submit the name and details of their construction company.

You can submit your order through the **Kenex Exhibitor's Portal**.

<https://exhibitorportal.kenes.com>

The Exhibition Manager will contact you with the link to the Exhibitor's Portal, including your personal login details.

Deadline: 6 August 2019

All exhibits are to be displayed to avoid blocking aisles, obstructing adjoining booths, or damaging the premises. Exhibitors are kindly requested to allow sufficient see-through areas that ensure clear views of surrounding exhibits.

The Organisers will not approve stands that do not comply with the accepted standards until the necessary changes have been made.

Work cannot commence until the exhibitor layout is approved by the Organizers.

Multi-level structures are not permitted.

Shell Schemes that have been pre-booked with Kenes include:

- Panel dimension: 100 X 250cm
- Fascia including standard lettering
- Carpet
- 1 table + 2 chairs

*Branding Areas Panels: 97.5cm x 235.5cm high

Standard Booth Specifications 3x2

For illustrative purposes only

Please note:

- Corner stands are provided with two open sides
- **Cleaning is not included**
- **Electricity is not included- please contact SUKONIK**

Fascia Sign

*7 characters, including spaces, may be written on your fascia for every one meter of fascia length. Please submit your fascia order **6 August, 2019**.
 If text for your fascia is not received by this date, we will provide you with a fascia title as per your application form.

You can submit your order through the **Kenes Exhibitor's Portal**.

<https://exhibitorportal.kenes.com>

Start up Package

Start up Stand 2x2 which have been pre-booked with Kenes includes the following:

- 2.4m high, white infill counter
- 2 high stools
- Graphics with general congress branding and company name.
- Electrical socket

If you wish to upgrade your sign to your own graphics, you are welcome to do so with the builder directly:

Sukonik Ltd, Israel

Contact: Sharon Sharabi

Mobile: +972-50-2051051

Tel: +972-3-6830044

Fax: +972-3-5186554

Email: sharon@sukonik.net

Cost: 750 NIS+VAT

Deadline: August 6, 2019

Build-Up Height

The maximum building height for the top of all elements in the booths is **total of 4 meters**

Any part facing neighboring stands with mutual walls that needs to be designed with neutral surfaces (white).

Exhibitors who will have stands higher than the maximum permitted height will not be allowed to set-up their stands.

Please note that if your booth has a platform higher than 4.5 cm, you are required to provide a ramp for handicapped access.

Ceiling and Ceiling Hangings

Ceiling Rigging is not permitted.

Electricity and Electrical Installations

According to the regulations, the electrical installations for the exhibition will only be connected to the power supply after being checked and approved by the official contractor.

Only the official contractor is authorized to provide the electrical switchboard for the power points. Thus, every exhibitor should order an electrical switchboard from the official contractor and to pay for the electrical consumption according to his power needs.

If you require electricity for your stand, please refer to the order forms or contact:

Email: sharon@sukonik.net

Exhibition Area

The Exhibition is being held Tel Aviv Convention Center Hall D.

Floor

Floor finish: Industrial cement

Maximum floor load: 1000 per sqm

Wi-Fi & Wired Internet

A free Wi-Fi access will be provided to all visitors, suitable for basic web browsing. However, this is a public connection and is unsuitable if you will have any internet based feature such as connecting to a server.

Should you require an internet connection for any product demonstrations on your exhibition stand, we recommend ordering a wireless or wired connection, at an extra cost, to guarantee a high quality service inclusive of technical support.

Private Wi-Fi networking in your booth is not allowed.

For additional information, please contact the Exhibition Manager.

Security

Neither the organizers nor the venue can accept responsibility for security of the stands and their contents or damage to and theft of any goods. Exhibitors are responsible for the security of their stand and equipment.

For support please contact:

Mrs. Elianne Baran Ganot

Tel: +41 22 9080488 Ext 921

Email: eganach@kenes.com

Stand Cleaning

The Organizers will arrange for general cleaning of the Exhibition premises (excluding exhibits and displays) prior to the opening of Exhibition and daily prior to opening thereafter.

For support please contact:

Mrs. Elianne Baran Ganot

Tel: +41 22 9080488 Ext 921

Email: eganach@kenes.com

Waste Removal

Exhibitors are responsible for the removal of all refuse/waste from the Exhibition area.

Any discarded waste, including promotional material, left behind will be removed by the organizers at the expense of the exhibitor concerned.

Accommodation

Special hotel rates are available to the conference participants.

Please book online: <https://hotel.kenes.com/en/congress/CANNX19>

Rules and Regulations -*Binding for all exhibitors and their subcontractors*

Children/Animals

No person under the age of 16 years can be admitted to the Exhibition, either during Build-Up, Open Days or Breakdown. This rule also applies to Exhibitors' children and must be rigidly enforced to comply with the safety regulations of the exhibition. It is also not permitted to bring animals into Venue

Build-Up & Dismantling Period

During the period of build-up and dismantling, it is prohibited to consume alcoholic beverages in the working area as well as to perform work under the influence of alcohol and drugs.

The Exhibitors and contractors are required to wear the necessary personal protective equipment such as safety footwear, protective helmets, eye protection, and hand protection required by the specific work activity.

Damage to the Building

Exhibitors are liable for all damage caused to floors, walls, and pillars during the installation, Exhibition, and dismantling periods. No adhesive stickers and fixtures of any kind are allowed on floors, walls, and pillars.

Disposal of Material

It is obligatory to collect and dispose of all material during the build-up or dismantling of the event. When the dismantling period is over, the exhibitor loses any right to claim losses or damage to property left behind. Any costs incurred by the venue in removing this property will be charged to the exhibitor.

Fire Regulations

Stand material and fittings must be non-flammable or impregnated with fire-retardant chemicals. As a general rule, easily inflammable synthetic substances, foam polyester, and no fireproof straw and reeds are prohibited.

Fire Insurance (compulsory)

Exhibitors must be insured against fire.

Hanging of Posters, Banners etc.

Hanging of posters, banners or decals, stickers or similar items, on the walls, floors, ceilings, or pillars within or outside the installations of the venue are not allowed without a prior written authorization.

Health & Safety

- It is the responsibility of the stand holder to ensure the health, safety and welfare of all employees, contractors and visitors as far as is reasonably practicable throughout the event.
- It is recommended that the stand holders appoint a supervisor for the stand, with the specific responsibility for ensuring the health & safety of their staff and stand builders. It is advisable that a Risk Assessment is completed for the stand and submitted to the Organizer.

Insurance (compulsory)

While every reasonable precaution will be taken to protect the exhibitors' property while on display at the Exhibition, it must be clearly understood that the organizers, the management of the venue and the official contractors can accept NO liability for any loss or damage sustained.

You are also responsible for insuring against any legal liability incurred with respect to injury or damage to property belonging to third parties. In addition to this, you should protect your expenditure against Abandonment and Cancellation or curtailment of the event due to reasons beyond our control.

Liability

Companies are responsible for all property damage as well as any loss or injury caused by their property, agents or employees. Companies will indemnify the organizers against all claims and expenses arising from any damages.

If for any reason whatsoever the Exhibition needs to be abandoned, postponed, or altered in any way, either in whole or part, or if the organizers find it necessary to change the dates of the Exhibition, the organizers shall not be liable for any expenditures, damages or loss incurred in connection with the Exhibition.

The organizers shall further not be liable for any loss which the Exhibition or Exhibition contractors may incur due to the intervention of any authority which prevents or restricts the use of the venue or any part thereof in any manner whatsoever.

Promotional Activities

All demonstrations or instructional activities must be confined to the limits of the Exhibition stand. Advertising material and signs may not be distributed or displayed outside the exhibitor's stands. Sound equipment must be regulated and directed into the stand so that it does not disturb neighboring exhibits.

Exhibition Management reserves the right to require the exhibitor to discontinue any activity, noise, or music that is deemed objectionable.

Special Effects

Special effects lighting, live music, smoke and laser projection may not be used in the stands. No permission will be given for projection in the aisles or on the walls of the hall.

Participation by exhibitors is dependent upon compliance with all rules, regulations and conditions stated herein.

Smoking Policy

The Tel Aviv Convention Center operates a NO SMOKING policy in ALL halls.

Section 6: Delivery Regulations and Instructions

The shipping instructions include the following information:

- Shipping Instructions
- Tariff
- Material Handling Form
- Labels

Delivery & Logistic Services

Merkur Ltd. has been appointed the official forwarding agent and clearance agent for this Conference and offers the following services: customs clearance, delivery to the stand, freight forwarding, manpower & trolleys for un-loading/loading during build-up and dismantling, storage of empty crates, transportation to and from the Exhibition hall.

For security, insurance, and efficiency reasons, **Merkur is the sole official agent to handle cargo inside the venue.**

Stand builders are prohibited from using trolleys during set-up and dismantling periods. Kindly note that the official agent is the exclusive agent for move in and move out of the venue. Exhibitors and stand builders are free to deliver their goods or to pick their goods up from outside the venue. Those who use their own facilities up to the venue are requested to coordinate their time schedule and unloading of their cargo into the venue with the official logistics agent.

Insurance of Goods

All cargo should be insured from point of origin.

Exhibition Goods, Insert and Display Materials

Please note that all materials entering the venue incur a handling charge. This includes materials for inserts to the Conference bags and display.

In order to receive a price quote for handling and to assure arrival of your materials, please be sure to complete the "Pre-Advise" form included in the shipping instructions.

Please Note: All advanced shipments and deliveries to the Hermes/Merkur warehouse, including by courier, must be coordinated with Hermes.

In order to assure receipt of sent materials, Hermes must receive the Pre-Advise form found at the end of this manual.

Please complete this form and return it to Ms. Zehavit Akerman:
zehavitak@hermes-exhibitions.com.

You will then receive confirmation of your material arrival.

Section 7: Order Forms

Section 8:

Tel Aviv Convention Center – Operational guidelines for work in the fairs area

For your convenience, we have prepared operational instructions for you to use the exhibition grounds:

1. Placing signs and flags inside the pavilions, on a scale and in the outer areas:

- a. Placing weights throughout the lobby and boards shall be carried out on a buffer surface only. Do not dock buildings and signs for the pavilion infrastructure without the approval of the event manager and the safety engineer.
- b. Customers and organizers wishing to place signs in front of the pavilion by holding infrastructure The pavilion will do so by means of steep construction that will be built independently by the organizer, and in coordination with the representatives of the Fair Center at the coordination meeting.
- c. In any case, hanging will not be possible by drilling, iron wire, gap, silicon and so on.
- D. Hanging a flag along the fair will only be done at designated facilities. In the case of a combination Flags for existing pages (with permission only), the buffer should be placed between the top and the flag to avoid damage On the page itself.

2. Construction in foreign areas (tents, signposts, registration stands, displays, buildings, etc.).

- A. Any building, display, tent, buildings, etc. shall be approved in advance in the outside areas
 The relevant entity in the Operations Division.
- B. Construction of any construction in the outer areas on the paving stones will be carried out on a porous surface.
- c. Discharge and disposal of equipment in the external areas shall be carried out only by a manual surface and not by a tool
 Motorized vehicle.

3. Charging and discharging:

- a. Unloading and loading of equipment, as well as the entry and exit of heavy tools to the pavilion area, will be carried out exclusively from loading and unloading doors designed for this purpose.
- b. When unloading and charging, do not block charging and unloading of doors, emergency openings, fire stations, electrical boards and access to garbage containers.
- c. When unpacking and loading, do not climb and / or park in lots and areas where columns are standing obstruction.
- d. Note: Lobby doors 10,1,2 are standard-sized doors, meaning they are not suitable for large-scale equipment entry and construction.

4. The exhibition center will not allow pirate connections to the pavilion infrastructure, such as water, air, electricity, Drainage and sewage.

5. Do not adhere to equipment, drill, paste, dismantle existing infrastructure and facilities in all areas of the center.
